11<sup>th</sup> April 2006.

Dear 340R Owner,

It is with great pleasure that I invite you to the much anticipated launch of the ReVerie Hardtop for the Lotus 340R, at **Westwood Park Country House**, London Road, Little Horkeley, Colchester, Essex, CO6 4BS on **May 31<sup>st</sup> 2006**.

Originally conceived in 2001, the hardtop has undergone extensive testing & development. This has now reached fruition & orders will be taken from May 31<sup>st</sup> with despatch commencing on June 31<sup>st</sup>.

There will be the chance to try out the hardtop as fitted to Mark Gooday's 340r. Mark has kindly loaned us the use of his car throughout development & his help is greatly appreciated. Also there will be an opportunity for a passenger ride in the 340r, come rain or shine!

The event will also feature a product showcase of our Lotus and universal fit Carbon Fibre products. Additionally David Harvey will have his much acclaimed & modified, full race 340r on display.

You are invited with a guest, to the Launch Party between **6.00– 9.00pm** where you would be able to chat to other 340r owners over Champagne & canapés.

Please RSVP before 3<sup>rd</sup> May by e-mail to [simon@reverie.ltd.uk](mailto:simon@reverie.ltd.uk) with your car's 3-digit build number & number of people attending (1 or 2). If either time is inconvenient then I would be more than happy to try to arrange an alternative date with you at our factory, car availability permitting.
